How your fieldwork actually happens
Serendipity
Huh?
Hey! Awesome People's Club come join us!
We don't mind being studied!
Really? I'll learn all about you!
I'll be these people's spokesperson!
After 2 years
Awesome People's Club
You made so much effort now we can accept you.
Curiosity
I want to learn about the world... from people who are different than me. For example, these - they look like a challenge!
How you have to present it in an academic article
Whereas Lefebvre... but Bourdieu (1977). According to famous Expert...
May I have your permission to make my point now?
You may.
The earlier studies have largely ignored class!
Class and the Awesome People's Club ed. by Dr. Obscure
Oh crap!
Whereas Appadurai... but Vertovec (2009)... But never tested the concept in Fieldworkistan.
...and that inspired this fieldwork. So yeah, my fieldwork...
You've exceeded the word limit!
